INTRODUCTION

On behalf of the GMCL Board I am pleased to present the latest output for the 2021 season to enable you to begin your planning.

Thank You

Firstly, I would like to say a few “thank yous” and especially to those of you in our cricket community who have also been on the front line in the fight with this virus over the last 10 months. We know that a number of you missed out on cricket because of this and we hope that some normality soon returns and that you will be able to play again in 2021. Thank you for everything you have done and continue to do for us all.

I hope that at your clubs you have all rested well after the efforts of last season to get cricket on as best that we could in the circumstances. I know that the members of the GMCL Board and their support teams worked tirelessly to ensure that we had as many matches as possible played in the time period available to us and to ensure that you had the latest information and procedures to help us all respond to incidents using the latest guidance and from our first report of someone with the virus at a club to the very last one in the season, we put actions in place to try to protect as many people as possible. In most instances we went further than the guidance but from start to finish of the season we had no reports of any onward outbreaks of infection within clubs and that has to be considered a result. Please pass on my thanks to everyone at your clubs who carried out the necessary organisation needed, those who kept your players and members informed of events at your club and to those who did the dirty work of keeping your premises clean to help keep them safe.

Changes

Since the end of the season, we have been keeping you up to date with a weekly GMCL Newsletter for those that have registered to receive it, back issues are visible through our [GMCL News](#) page on the website and we hope these have kept you informed on GMCL activity. We will continue with this process going forward of one newsletter each week on a Thursday Night or Friday Morning unless urgent communication is necessary.

We are continuing to work on our Management Structure and the operation of the league and several of the Board are currently engaged in defining activities required so that we can bring on volunteers with the appropriate skills to continually improve what we do. One change we have already made is that the clubs are now full members of Greater Manchester Cricket League Ltd registered with Companies House and the impact of that will be laid out when we hold the AGM.

We are also deep into the review of the Disciplinary Rules and Code of Conduct to give the league the strength to deal with poor discipline effectively so that we can meet the highest standards, unfortunately the 2020 season showed us that irrespective of the importance of the competition there are those unable to meet the standards of the other 99%+ of our participants and we must deal with them effectively.

After a delay of a year, we will now be implementing the Grounds and Facilities Standards for 2021 and will detail how this will affect your clubs in notes over the following pages.

May I take this opportunity to offer best wishes to all our players, volunteers, and supporters for the new year with the wish that we begin to see the light at the end of the tunnel and a return to normality and a better way of life for us all.

Stay Safe

Martin Kay

Chair, GMCL

NOTES AND INFORMATION FOR THE 2021 SEASON

(as at 07 January 2021 – this document is subject to amendment/update)

Playing Conditions & Rules

We are currently hoping that we will return to full playing conditions however we will continue to monitor the situation and advise if we will be operating full rules or COVID Restricted Play rules as soon as we are able and as authorised by the ECB.

Following the Lockdown instruction on 4th January the position is looking somewhat worse however we will continue to prepare for a full restart with the hope that the vaccinations will bring the required improvement to this situation and of course we will share any updates from LCF, ECB or DCMS with you as soon as we get it.

In the meantime, please keep a look out for further grants available for businesses, the Chancellor did announce a new range of support for business on 5th January for up to £9k on top of the grants we have previously advised you of in our weekly newsletter.

Return to Full Rules

Should we return to full rules, there will be some minor wording changes and reordering of the full rules in addition to significant amendments on:

- Code of Conduct and Disciplinary Procedures and
- The implementation of the Grounds and Facilities standards which may impact the promotion and relegation places at the end of the 2021 Season.

These changes will be published soon, when finalised

Feedback on Rules Proposals

When clubs registered their teams for the 2021 season, we asked clubs for their views on

- Tea Provision
- Bowlers Maximum overs and
- Overs in Division 3 and Division 4 matches

The responses (all clubs answered) gave us no mandate for any change from the 2019 position for the 2021 season ahead should there be a return to full playing conditions. We will continue to review these, and other rules, annually and consider the best process to use for obtaining club feedback.

Match Balls

The Board have entered into a new longer term fixed price arrangement for our match balls at Senior and Junior Level.

For 2021 Match Balls must be ordered by 31st January and will be paid for in one payment and delivered to you directly rather than collected.

The form for ordering your match balls which gives ball requirements and prices is [here](#)

External Impacts

There will always be issues impacting on our competition and rules that we have no authority or control over and currently the main issue is

Tier 5 Work Permits

which will only be approved for the 2021 season for clubs meeting all normal requirements AND Clubmark standards requirements as laid down by the ECB. Also see information on Weekly GMCL Newsletter dated 18 December 2020.

We repeat our recommendation that no club should seek to appoint a Tier 5 Overseas Player where they do not have Clubmark or are not already working with the LCF staff to achieve this standard.

We also repeat our recommendation that clubs should only appoint for one season at a time because we do not yet know what the rule changes for 2022 will bring.

Calendar

The calendar for the 2021 league season is now in place showing the GMCL20 fixture dates and the Lancs KO and National KO dates and shows when the GMCL20 games will be played and how we use the Sundays for all the Sunday League and all the Sunday Cup competitions.

One of the key factors for Sundays is to maximise our use of available umpires.

We have not yet asked you to confirm your cup entries, but we will do so in the coming days.

Fixtured games will take priority for available umpires so please be aware that you should not arrange or rearrange GMCL20 games for Sundays as we cannot guarantee that we will have umpires available

Fixture Information

Thank you for all your responses, Saturday & Sunday fixtures are now published below.

Saturday Fixtures

Because we were unable to play the 2020 season in full, we were unable to correct the final 2019 divisions for the changes to our numbers which left us with 13 in Division 1 and, with no volunteers to take a drop we decided not to relegate anyone and therefore we made this a Division of 14 to ensure there were as few blank dates as possible.

For the Divisions of 11 or 12

So, this gave us 8 Divisions of 12 and 2 Divisions of 11 which will all follow the home and away template for Divisions of 12 where there are 2 Saturday teams playing at a ground.

In Divisions 4N, 4E & 4S&W there have been a few tweaks to the schedule to accommodate reverse games in Division 1.

For the Division of 14 (Division 1)–

- The home and away fixture pattern doesn't mirror the pattern of the Divisions of 12 so therefore we have manually created the fixtures for this Division and built these around the fixtures produced for the Divisions of 12 teams.
- In Division 1 there are teams matching other teams in 5 different divisions so for example Prestwich 2s games had to be the opposite of Prestwich 1s games in the Premier, 4 clubs matched to teams in 3E, 3 in 4N, 3 in 4E and 4 in 4S&W.
- Positives
 - 22 games for all 14 clubs,
 - each playing 9 clubs twice and 4 clubs once – totally random.
 - 11 home and 11 away.
 - All bar one club have 5 or 6 home games in the first half of season, the one that doesn't has a run of home games at the start of the second half so has 7 home out of 14
 - The fixtures are contained within 23 matchdays so we have extended the Saturday season by a week to 18 September which is preferable to playing Sundays.
- Downsides
 - the fixtures don't allow for regular patterns and so clubs may find they play the same opponents in the space of a few weeks or even on consecutive weekends.
 - There are a couple of games where both teams are away on the same day

Unavailability

Lakeside may not be able to play at home in April and September due to rugby fixtures so there are still a few fixtures that may need to be reworked there.

Sunday Fixtures

There have been no further adjustments to the Sunday Divisions since publication, the fixtures are now below.

Umpires available on Sundays will be allocated in the following order

- LKO & ECB games as required by Governing Bodies
- 1st XI cup games
- 2nd XI cup games
- 3rd XI cup games
- 18 match competition
- then the regional competition,
- then the development league.

Cup Entrants

It is time to enter the Cup Competitions. The form is [here](#). The deadline for entries in Sunday 24th January 2021

All 1st XI teams must enter the cups so the form only requires those with other teams in our competitions to register for the cups.

The 1st XI Premier Cup is the Derek Kay Cup sponsored by Tetley's

Our 4 Lancs KO qualifiers receive a bye from the First Round so we need 12 winners from the first round to make up the Round of 16. To get 12 winners we need 24 teams to play.

The four teams receiving the byes are

Denton St Lawrence CC, 1st XI, Flixton C&SC, 1st XI, Roe Green CC, 1st XI, Prestwich CC, 1st XI

The 24 teams competing in the First Round are the highest placed from the previous season, in this case 2019 season.

The 1st XI Championship Cup is competed for by the middle teams in the league after taking out the lowest placed 16 who compete for the 1st XI League Cup.

The allocation of 1st XI Teams is therefore as follows:

Fixtures in Excel format

There is now a full version of the Saturday and Sunday Fixtures in Excel [Here](#)

Promotion & Relegation

For 2021 season, we have reduced the number of promotion and relegation places generally from 4 to 3.

However, for the end of the 2021 season Promotion & Relegation will now be determined by the final placement in the division AND the ground standard referred to below and so the numbers relegated and promoted may be more or less than 3.

The standard promotion – relegation places are

Saturday Competition

Premier ← 3 → Premier 2

Premier 2 ← 3 → Championship

Championship ← 3 → Division 1

Division 1 currently has 14 teams, not 12, so if no additional clubs join the league for 2022 by the cut-off date of 31st March 2021 and no teams leave then the position will be as follows, but if new clubs join and / or clubs leave this will be reflected accordingly at Division 1 and the divisions below when details are known and in advance of the season.

This should have been reflected in the original version but was omitted in error, our apologies.

Division 1 4 → Tier 5

Division 1 ← 2 Tier 5 - Division 2A (1) & Division 2B (1)

Tier 5 - 2A (4) & 2B (4) 8 → Tier 6

Tier 5 - ← 6 Tier 6 - Divisions 3E (3) & 3W (3)

Tier 6 - Divisions 3E (4) & 3W (4) 8 → Tier 7

Tier 6 - ← 6 Tier 7 - Divisions 4N (2) & 4S&W (2) & 4E (2)

Sunday Competition

Sunday Premier ← 3 → Sunday Division 1

Sunday Division 1 ← 4 → Tier 3 – Sunday 2W&N (2) & 2E&S (2)

Grounds & Facilities Standard

Our Grounds and Facilities (G&F) Document introduces three standards for grounds at Gold, Silver or Bronze and we will use these standards to create the standards required for each of the tiers within the Divisional Structure.

Club Standard and a club's improvement of facilities during the season can impact the club's league position at the end of the 2021 season.

The G&F document is linked [HERE](#).

Key Information

1. Clubs will be inspected pre-season and during the season, including weekly monitoring by umpires.
2. Club engagement with the league G&F team on ground development is requested throughout the season. Promotion & relegation places at the end of the 2021 season will be determined by a combination of the final division position AND the Club Ground & Facility standard.
3. Clubs who do not make improvements where they need to:
 - a. cannot be promoted and
 - b. will be considered priority candidates for relegation where other clubs in the division have made improvements.

The Tiers will be as follows

- Premier 1 and Premier 2 – Gold Standard
- Championship & Division 1 – Silver Standard or Above
- Div 2A and 2B – Minimum Bronze Standard and moving to Silver, or Above
- Div 3W, 3E, 4N, 4S&W, 4E – Bronze Standard or Above

The bottom line is that if your club do not engage with the grounds team and do not make any improvements required, your team cannot be promoted and can be placed in the relegation pot irrespective of your finishing position in the division.

Determining Promotion & Relegation Places

As the league pushes to raise standards of Grounds & Facilities across all our divisions, and across all our standards, **we will now create relegation and promotion pots** at the end of the season for each pair of divisions where there is movement between those divisions.

Each relegation pot will contain

- a. all the teams finishing in the relegation places in the table and
- b. all other team in the division not making improvements required, irrespective of finishing place.

Each promotion pot will include

- a. all teams finishing in the promotion places meeting or moving to the required standard of the division above
AND
- b. other teams in the top 6 of the division already at the standard of the division above.

The number of teams from those pots moving between divisions will then be determined by criteria as detailed below.

Aim of the changes

Our wish is that every club in the league is engaged with the G&F team and that improvements that are required are being made year on year and clubs are meeting deadlines for improvements. If every club is making improvements where necessary, then promotion and relegation will be based solely on finishing places.

Clubs Using Other Grounds

Any club hiring or sharing a ground will be held to the standards of the ground at which they play. It is our belief that there should be a shared responsibility for the ground development so we would expect that the hiring club should at the very least support ground improvement events such as Cricket Force held by the host club and we will take into account the contributions made by hiring clubs.

Additional Rules - only for those that do not engage with our Grounds team.

So, to reiterate, for those clubs that do not engage, the key points to note are

1. If your club is not at the required standard for their current division AND is not making improvements towards the required standard, then the team will be placed in the relegation pot.
2. If your team finishes in the promotion places (usually top 3) but the club is at the standard one level below that of the league above AND has not made improvements towards meeting the standard required above, then they cannot be promoted.

Promotion Pot

1. Teams will be guaranteed promotion where the team finishes in the pre-agreed promotion places (usually top 3) AND
 - a. EITHER their club is already at the G&F standard of the division above OR
 - b. Their club is currently at the next standard below, but they have made progress, agreed by the grounds team, during the past season towards the higher standard AND they will achieve that higher standard by the end of the next season.
2. Teams may also be promoted where the team finishes in the 3 places immediately below the agreed promotion places AND they are already at the G&F standard of the division above but,
 - a. These teams can only be promoted where they are replacing teams from the division above that have not met the improvements required.

The ranking of the promotion pot will be any teams meeting either 1a or 1b in their finishing order (so for example, a team finishing first and meeting 1b will be ranked higher than a team meeting 1a and finishing third and any team qualifying in 2 will be ranked below all the teams ranked in 1a and 1b).

Relegation Pot

At the end of the 2021 season any team,

1. finishing in the pre-agreed relegation places OR
2. finishing the season in any position in the division and their club does not have the required ground standard AND
 - has not engaged with the league G&F team AND
 - does not make improvements towards the required standard in line with the G&F document

will be placed in the relegation pot.

The ranking of the relegation pot will be the teams in 2 (lowest first) followed by the teams in 1 not already listed in 2 (so for example if the lowest placed team who has not made required improvements finishes 8th they will be ranked higher for relegation than teams in 12th, 11th and 10th)

Determining who is promoted and who is relegated

At the end of next season up to 6 clubs could be promoted / relegated between divisions or there may be none.

If every club meets the requirements of the G&F document it will be 3 (or the allocated number for the respective divisions as detailed above).

To determine who is promoted and who is relegated we will use the following template

1. The lowest ranked team in the relegation pot from the higher division will be replaced by the highest ranked team in the promotion pot from lower division.
2. The second lowest ranked team in the relegation pot will be replaced by the second highest ranked team in the promotion pot.
3. The third lowest ranked team in the relegation pot will be replaced by the third highest ranked team in the promotion pot.
4. The fourth lowest ranked team in the relegation pot will be replaced by the fourth highest ranked team in the promotion pot.
5. The fifth lowest ranked team in the relegation pot will be replaced by the fifth highest ranked team in the promotion pot.
6. The sixth lowest ranked team in the relegation pot will be replaced by the sixth highest ranked team in the promotion pot.

In order to help determine this we have placed examples on the league website

Sunday Divisions & Fixtures

Sunday Fixtures

There have been no further adjustments to the Sunday Divisions since publication, therefore Sunday fixtures are detailed below

There are 3 Sunday league tournaments

1. The **"Sunday Competition"** – 4 divisions of competitive games with a League Trophy and Promotion & Relegation at stake.
 - a. There are 4 divisions of 10, giving all entrants 18 fixtures, 9 home and 9 away.
 - b. This competition takes up 18 Sundays of the 22-week season and the other 4 Sundays are used for the first two rounds of each of the 2nd XI cups and Sunday cups so there is no room for any rearrangement of any fixtures.
 - c. The divisions are
 - i. Sunday Premier (10)
 - ii. Sunday Division 1 (10)
 - iii. Sunday 2W&N (10)
 - iv. Sunday 2E&S (10)
2. The **"Regional Competition"** – 3 Divisions grouped as best as possible by area, 12 games, 6 home, 6 away
 - a. Sunday East (8) **We are delighted to welcome Delph & Dobcross CC to our Sunday Competition.**
 - b. Sunday Central (7)
 - c. Sunday North (13)
3. The **"Development League"** – A Division focussed primarily on junior players at the clubs who are not getting a regular game on Saturdays. 12 games, 6 home, 6 away
 - a. Sunday Development (7)

Fixture Amendments

Only a limited number of Sunday Fixtures can be rearranged [using the usual procedure](#). Irrespective of that we will not be accepting any change requests until after 1st March 2021 so that we are able to focus on other management issues.

Any rearrangements that are permitted must be agreed by both teams prior to the application to the league.

All Sunday Leagues

- rearrangements will be considered for ground clashes with cup or senior league games upon application.

Sunday Competition

In the 4 divisions of the Sunday Competition, because there are no vacant dates, there must be

- no rearrangement of games for bad weather / postponement as in the Saturday Divisions.
- no rearrangement of games for non-cricket ground use (not arranged in advance of fixture preparation)

Umpires

Umpires available on Sundays will be allocated in the following order

- LKO & ECB games as required by Governing Bodies
- 1st XI cup games
- 2nd XI cup games
- 3rd XI cup games
- 18 match Sunday competition
- then the Sunday regional competition,
- then the Sunday development league.

Ground Standards

Ground standards and facility requirements are not relevant to determining the positioning or promotion / relegation of Sunday teams, however any penalties levied on a club for failure to move forward with ground improvements may also impact a club's Sunday teams.

Sunday Premier

The winners off this division will be considered GMCL Sunday Champions. 3 teams will be relegated at year end
