# Foreword

Our Sunday League Competition continues to evolve and meet club demand and in 2019 we have 62 teams as we are delighted to welcome Golborne CC & Walkden CC to the competition for 2019.

The Sunday Competition continues to bring benefits for clubs with 3<sup>rd</sup> XIs, creating a larger squad for Saturday teams and giving youngsters the opportunity to play longer games than junior competitions allow, and GMCL are proud to host one of the biggest Sunday Competitions around and we strive to improve the competition and provide greater opportunity for games and the chance to win trophies.

We now offer two types of Sunday league competition based on club requests. For 2019 we have offered an 18 game season or a 12 game season and we have 32 teams in the 18 game and 30 in the 12 game competition.

Sunday Leagues always have problems with rearrangements because of cup games for Saturday teams not just for League Cups but also for Lancashire and ECB competitions too and so we hope the calendar we have created avoids many of the early cup rounds and so limits the number of rearrangements required during the season.

We have also built in requests to avoid certain match days for individual clubs to avoid local fund raising or community events; if we have missed your club's request or if you have an issue on a certain match days please contact us on [fixtures@gtrmcrcricket.co.uk](mailto:fixtures@gtrmcrcricket.co.uk)

Because the competitions have different fixture patterns and a number of clubs have a team in each it hasn't been a straightforward process and we have had to stagger some of the games across the available match days.

As cup rounds progress and teams are eliminated, there may be opportunity to bring your Sunday League games forward and we wholly support this where clubs can agree. We also support the movement of rained off games where there are suitably vacant slots for both teams and we hope that in the 12 game competition every team will play all 12 games by clubs working together to bring forward / rearrange matches.

Sunday League cricket is used for a range of standards from social teams, junior development teams, older players and genuine 3<sup>rd</sup> team in the club where the club has a lot of players and we hope that everyone will work together in their division to get good competitive games between the clubs. Please respect your opponents, officials and the competition and we can ensure that this important part of GMCL can continue to flourish.

Have a great season.

# Divisions

## 18 Game competition

With 32 entrants we have 2 divisions of 10 and one of 12. The divisions of 10 are straightforward – Each team plays the other teams home and away, 18 games.

For the Division of 12. The top division, each will play all 11 opponents once and then will play the opposing fixture against 2 of the nearest clubs, giving 13 league games, and at that point the Division will be spilt so that the top 6 then play each other once (in the reverse of the fixtures from the first XI games) to give 5 games and the lower 6 play each other. This will give a total of 18 games for each team and give us the same result, League Winners and runners up.
