Discipline Reporting - Guidelines to Umpires

The Discipline Report Form may be used for any match under the control of the Greater Manchester Cricket League (GMCL).

Please provide as much detail as is necessary in the report to assist in an accurate decision being made as to how best deal with the matter.

PLEASE ENSURE THAT YOU READ THE GMCL DISCIPLINARY GUIDELINES

(see the current GMCL Rules & Regulations Handbook).

An apology offered during or after the match following any incident does not mean that a report need not be submitted but such an apology should be noted.

Whilst a joint report is the standard, any report submitted by an individual umpire will be accepted. Umpires, when completing reports, should ensure that they are factual and include actual words used if appropriate, when possible.

If you require any assistance with the completion of a report, please contact the GMCLUA Discipline Secretary – Paul Derbyshire (Mobile 07968 680346).

Before they leave the ground the umpires should ensure that representatives from both clubs involved in the match are aware that a report is to be submitted.

The completed Report should be sent *as soon as possible* after the end of the game.

Speed is of the essence in the satisfactory dealing with of disciplinary matters.
